NGBS Green Certificate #NGBSGCP-000373

Product: CertainTeed Northern White Fibre Glass Blowing Insulation

Manufacturer: CertainTeed - Saint-Gobain Corporation

The product(s) shown on this report have been independently verified as eligible products for use in achieving points toward project certification under ICC-700 National Green Building Standard. Home Innovation Research Labs authorizes accredited verifiers to award points toward certification without additional documentation when the product(s) is used as noted below.

<b>2020 NATIONAL GREEN BUILDING STANDARD</b>			
PRACTICE #	PRACTICE DESCRIPTION	POTENTIAL POINTS AVAILABLE	ADDITIONAL CONDITIONAL OF USE TO AWARD POINTS
604.1	Building materials with recycled content are used for two minor and/or two major components of the building. 1-6 points available.	1-2	Points are awarded for use of 2 products w/ recycled content. This product and at least one other minor product containing at least 25% recycled content must be used for 1 point. This product and at least one other major product containing at least 25% recycled content must be used for 2 points.

## GRESB Scoring Potential

GRESB is a framework widely used by commercial and multifamily organizations that measures the ESG (Environmental, Social, and Governance) performance of a company's real estate portfolio. Certification to the following 2020 NGBS practices indicates that this product potentially contributes to one or more GRESB Indicator(s). For more information, visit [www.ngbs.com/ESG](http://www.ngbs.com/ESG) and [www.GRESB.com](http://www.GRESB.com).
